

SCHOOL OF NURSING
AT CALIFORNIA BAPTIST UNIVERSITY

CAREER STATEMENT

The School of Nursing at California Baptist University seeks individuals who have professional goals consistent with the RN to BSN program, the ability to handle the academic challenge of the program, and the personal qualities required of registered nurses. For this reason, CBU requires a comprehensive career statement as a part of the application process for the RN to BSN program. The comprehensive career statement replaces the required statement of purpose on the application form. The comprehensive career statement should address the following questions:

Name: _____ Telephone: _____

1. What significant life events have most influenced your present development and your desire to continue your education in nursing? _____

2. What are your professional career goals after completing your degree? _____

3. What are your strengths that will help you achieve your professional goals? _____

4. What do you consider to be areas for personal growth that may need specific attention during your training at CBU? _____

5. Please list and explain your work experience over the past two years. Resume can also be attached.
